Subject: Chipotle Partnering with Red Cross Donating Free Meals for Victims of Hurricane Milton

Hello Helen,

Our company would like to express its deepest condolences to you and all residents of the Tampa area who have been affected by Hurricane Milton. Chipotle understands how natural disasters can displace people, and more needs to be done to help.

From Sunday, Oct. 20, to Friday, Oct. 25, all 11 Chipotle locations in Tampa will be handing out free meals to those impacted by the storm from the hours of 11 a.m. to 11 p.m., in partnership with the American Red Cross. Volunteers will be assisting employees in distributing the food.

Tampa residents in need should be aware of the free meals so they can receive one. Would you be interested in helping spread the word?

Let me know, and we can coordinate an exact time and location for you to come.

Thanks,
Ciane Lopez
